Offg: *Secretary to the Government of*
His Highness the Maharaja of Mysore,
General and Revenue Departments.

SIR,

I have the honor to forward herewith, for orders of Government, the records of investigation relating to the claim of the Inamdar, to the Excise Revenue from toddy of Katuru village in the Nanjangud taluk together with a copy of the investigating Officer's letter No. 6, of the 17th/29 ultimo, received with memo No. 143, dated the 9th Instant, from the Deputy Commissioner, Mysore District.

The facts of the case as disclosed by the records are very clear. The Inamdar himself admits that neither the sannad nor the Inam title-deed has conceded to him the right in question and has not therefore produced either the one or the other. Besides, he lays no claim on the ground of enjoyment of the right as he never enjoyed the same.

Under the above circumstances, I beg to state that I concur with the opinions of the investigating officer and the Deputy

From

H. Seetharamiah, Esquire,

District Excise Officer,

Mysore District.

To

M. Kantharaja Urs, Esquire,

Deputy Commissioner,

Mysore District.

Sir,

I have the honor to submit herewith for favour of your approval and forwardal to the Excise Commissioner, in Mysore, the calendar together with other papers connected with the investigation held by me into the claim to the Excise Revenue from toddy of the Jodi village of Katura, in the Nanjangud taluk. The village has no date groves but a toddy shop lying within its -- limits is being sold annually since the year 1892-93, and treated as an Inam shop.

2. It having been ascertained that the Jodidar of the village was one Srinanga Char a resident of Krishnaraja pura Agrahara in the Sosale Hobli of the T. Narasipura Taluk, and that there was also an Agent to the village by name Kalale Srinivasa-Char living in Hebbologuppa, Heggdadevankote taluk, both the Jodidar and his agent were duly served with notices calling upon them to appear before me and substantiate their claim to the toddy revenue of the village by production of the necessary documentary evidence. The Agent never turned up but the above named jodidar himself -- offered to be examined on the issues of the cases on the 1st. -- instant.

3. In the statement recorded before me the jodidar plainly admitted that the right to the toddy Excise Revenue of the village was not alienated by the sannad and also not conceded at the Inam

settlement.

Settlement. He did not produce the sannad and the Inam title deed as he knew full well that neither of these documents would help him to claim the right under enquiry. He did not try to disguise the fact that never at any time preceeding 1892-93, he derived any Excise Revenue from the village. He showed himself convinced that he had no lien on the toddy shop working in his village and was discreet enough not to put forth any claim to its Excise privileges.

4. Under these circumstances, I have held that the right to the toddy revenue of this Jodi village was not alienated. The toddy shop has henceforward to be treated as a Government one.

I have the honor to be,

Sir,

Your most obedient servant.

SD/ H. Seetharamiah.

Grounds of decision

here are no date groves in the village; but a toddy shop
ring the name of the jodi village is being sold annually
e 1892-93. With a view to determine whether the right
the Excise revenue of this shop has also been alienated, the
dar was summoned before the undersigned to substantiate
claim, if any, to the said revenue. The jodidar in his
ement recorded on the 1st of August 1910 plainly admits
the right has neither been alienated by the Samasthan
Conceded at the Inam Settlement. He is equally frank
nt the fact of his non-enjoyment of the revenue
any time previous to the year 1892-93. The jodidar seems
er to have felt that he had any claim on the toddy
reference to and does not, obviously enough, put forth
claim to its Excise revenue.

Hence it is to be decided that the right to the toddy

toddy Excise revenue of the Village is not an alienated right and this being so, the toddy Shop now being within its limits has no longer to be treated as an Arrack Shop but is a Government one.
